Additional items must be received by the clerk no later than Monday 4th May 2026.

Meeting closed at 2058 hours.

END OF MINUTES

APPENDIX ONE – COUNTY COUNCILLOR'S REPORT

Cllr Ian Gardener

Monthly Report April 26

Local Government Reorganisation

The government's statutory consultation on LGR in Cambridgeshire and Peterborough, has now concluded.

Under local government Reorganisation for Essex, the Government has based its Preferred Option on existing Local Authority Boundaries, they have not split any Districts as is proposed In Cambridgeshire, by the 2 Labour MP's in Cambridgeshire.

I supported Option E in the consultation which was overwhelmingly supported by the District Council and unanimously by the Conservative Group on HDC, which is for 3 Unitary authorities in Cambridgeshire & Peterborough, one of which is a Unitary Huntingdonshire.

Option E

Unitary 1 – Huntingdonshire

Unitary 2 – Peterborough City, Fenland & East Cambs

Unitary 3 - Cambridge City & South Cambs

Government will then announce its proposal for LGR in Cambridgeshire/ Peterborough in July 2026. With the necessary legislation being put before Parliament to approve in Autumn 26 recess

With Elections to the new Shadow unitary Authorities taking place in May 27. With the new Unitary Authorities will take over running all services on 1 April 28.

Highways

Regarding, the large number of potholes on our roads, I have chased the matter with Highways Directors at CCC and as a result I have had various site meetings with the Area Maintenance Manager to highlight the issue in this division. We are currently visiting each of my 25 villages to look at the worst and get them on the system for repair. I can confirm we have so far visited 7 out of 25 villages so far. Rest assured I will continue to chase this matter, on your behalf.

I can confirm that we should be getting a New Local Highways Officer at the end of the month.

The Grafham to Brampton Quietway installation has been delayed. As I spotted that the road was due to be resurfaced in 27/28, the Active Travel Team were unaware. Which would have meant all the artwork on the road surface etc would have been destroyed. I am now awaiting a revised installation date from the Active Travel team

20mph scheme applications have now closed. With the prioritization programme being undertaken between April and July 26. With the successful schemes going for approval at the October 26 Committee meeting.

Registry Office Wedding Venue

From the 1st April, couples looking for an impressive, yet affordable wedding venue will be able to book their ceremony with Cambridgeshire County Council at the Huntingdon Town Hall. The iconic, Grade II listed building will replace the Registry office room at Lawrence Court

The cost of such ceremonies will start from £450, services will be scheduled for one hour to provide a calmer more personal experience for couples.

Supporting Community Led Flood Resilience

If your community is working hard to reduce the risk of flooding. You could be eligible for a Community Watercourse Maintenance Grant of up to £10,000

The grant is designed to support communities where the condition of local watercourses is increasing the risk of flooding. The grant will be paid direct to flood groups, parish councils to take practical steps to improve water flow, reduce flood risk and enhance the surrounding environment.

The grant can be used for vegetation clearance and debris removal, minor repairs to banks and channels, equipment hire or contractor support, volunteer training and safety equipment and other essential maintenance activities.

Disposal of Batteries

The Cambridgeshire and Peterborough Waste Partnership (RECAP) is urging residents to recycle batteries and battery powered electricals safely, following an increase in fires caused by incorrectly disposed lithium-ion batteries.

To help prevent fires never place batteries in the bin, use designated recycling points, tape over damaged terminals and check for local collection schemes.

All types of batteries can be recycled free of charge at Household Recycling Centres, ie Alconbury & St Neots as well as Supermarkets and DIY Stores.

District Council

This year's District Council Elections along with the Parish Council elections will go ahead. The elections are on the 7th May.

The Election timetable key dates are –

30 March 26 – Notice of Election published and nominations open

09 April- Nominations close

10 April – Statement of Persons nominated published.

20 April – Registration to vote deadline.

21 April @ 5pm Postal vote application deadline

28 April Notice of Poll published and the Voter Authority certificate deadline

Please note all Postal votes now expire after three years. If your Postal vote has expired you have until the 21 April to apply for a new postal vote.

If you have any queries, please contact- elections@huntingdonshire.gov.uk
