

THE PERRY HORNET

Your Perry Parish Council Newsletter June 2026 Issue 3

From the Chairman

Hello, and I hope you're keeping cool. Since the last newsletter we have had the local council elections, and I'm very pleased and proud to tell you that Perry is the only parish council in this ward to have a full complement of elected councillors. If you'd like to see what happens at the meetings, why not come along! Everyone is welcome.

Thank you so much for the donations of wool for Remembrance Sunday. We could still use some more, if you can help (red or black acrylic) please drop it off to Fay Wheatcroft at 16 Rose Croft.

See you around our lovely village!

What a Load of Rubbish

Thank you to everyone who took part in the recent litter pick, which yielded four bags of rubbish. And a hubcap.

Anglian Water are looking for volunteer litter pickers, for details please email parkinfo@anglianwater.co.uk, or see the posters on the village noticeboards.

Flower Power

The Perry in Bloom planters, and the work of those who tend them make our village so delightful. Slightly less delightful is the state of some of the boxes, which are a little on the decrepit side. The council has formed a working group spearheaded by Councillor Pat Reynolds to replace and mend these, if you'd be interested in joining please contact the clerk for details.

If you, or someone you know would like a copy of this newsletter in larger print, please contact the clerk.

Bin There, Done That

The pill packaging recycling bin will return to the bus shelter from 15th - 18th June. Please, only deposit empty blister packs. Talcum powder bottles, junior cough syrup and haemorrhoid ointment tubes are not blister packs. But do give an interesting glimpse into the general health of the village.

Obscene Vegetable Matter

If trees and bushes are spreading from your property onto the pathways, please cut them back. If you have problems doing this contact the council to see what assistance we may be able to provide.

Zero Tolerance for Sign Fondling

The Grafham Water Centre sign continues to be interfered with. If you have issues with traffic, please contact the centre or the council.
